

LIFELINE MINISTRIES SOUTHERN AFRICA

Lifeline Network Leadership Gathering— THE WAY FORWARD....

Warm greetings in Christ! It has been over four years since we last held a Lifeline Network Leadership Gathering. Several of the Network leaders have a strong sense that "it's time!!" to call another one.

A booking has been made for a four-night, three-day gathering at the Vashandiri Centre, Mkoba, Midlands. **Monday night, Oct 13, to Friday morning Oct 17.**

The purpose of this special gathering is to prayerfully review the past four years, then consider the positioning and relevance of Lifeline as a non-denominational ministry in the changing spiritual environment of the Church in Southern Africa. Then to practically plan the next two years of ministry engagement.

We believe it is important for you to come join us there, and make a contribution that will help shape the future structure and effectiveness of Lifeline.

The Gathering is by invitation only and is for wives as well. The accommodation and catering costs of the Gathering will be covered by supporters of Lifeline. Assistance is also available with transport costs.

This is a small gathering — no more than 20 people have been invited. It is not a convention, and is not open to the public. We are looking for quality discussion that will help shape the future of Lifeline, and how it engages with other ministries who share similar values and vision.

Please contact me direct if you have any questions or suggestions. Your brother in Christ,

Brian Rensford (Chairman, Advisory Board)
