Greetings from Bulawayo.

It is so good to be home again! We saw so many people and places! And we were tired when we got back.

We set out before 6am Sunday March 18. David preached two services in Beitbridge. Leaving Beitbridge early Monday, we crossed the border and drove over 200 miles to Shikwaru for the Hope Unlimited Indaba.

*Ir Shane Cleminson (USA), Itai & Thuso Moyo (South Africa), Benon Ncube (Zimbabwe), Perry Mears, Tina & Dickie Robbins (USA), Divine, Sithandwa & David.*

We met for two days seeking the Lord's guidance for Hope Unlimited and Ambassadors Christian Fellowships for the coming years. The time is coming for the younger generation to take up the baton of leadership and to move into what God has prepared for them. Benon is in the process of taking full responsibility for Ambassadors Christian Fellowships over the next few years. David continues to minister to the churches and in overall charge of Hope Unlimited in Zimbabwe.

We ended our time together with Communion. It was a very special, intimate time with the Lord

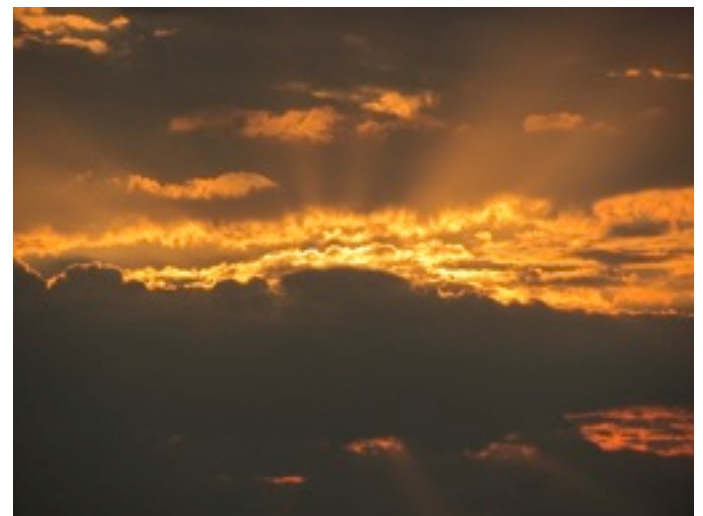

Wednesday morning we parted ways with the Robbins, Perry, Benon, Thuso & Itai going on to Musina and Beitbridge and the Beevers family to Johannesburg and England.

The pastors in the rural areas continue to need help. The drought has been severe this year and there will be almost no harvest in Gwanda South and Mberengwa where several of them have their rural homes. This will mean great hardship for their families unless we can help them.

The orphanage in Beitbridge is doing well. The children are settled into schools. The great need there is for a well so that it can become self-sufficient in vegetables for the children. Cost of the well is \$3300 including pump and pipes.

In Johannesburg David took part in a Prophetic Activation workshop and will soon be teaching it in Zimbabwe.

27-29 April - The Ambassadors Christian Fellowships conference in Sukwe. Representatives from almost all the branches were there. In spite of the hardships it was a time of great celebration for all. What wonderful praise and worship! so joyful and exuberant and such a strong presence of the Lord. Many were healed and there were several prophecies. The theme of the conference was

*David preaching - the Body of Christ*

*Cooking for the crowd*

*Completed church roof with congregation*

'The Body of Christ'. Two new pastors were ordained and there were some notable healings - a frozen shoulder fully mobile, a man with a badly swollen face was normal the next day, heart palpitations were healed - and a demon was cast out.

The church roof is now complete - a cause for great celebration! The congregation are so excited and we give thanks to the Christ for the Nations Native Church Program for funding the roof. Without them it would have taken years to get the roof finished.

I asked one pastor - an excellent farmer - how much he had reaped this year. His answer - nothing - not even a melon. If you feel you can help a family (we have three pastors in that area who are in real need), then please designate your donation Pastors' Food Aid. \$25 per month will provide 112 lb corn meal - enough for a family of 6.

Where does your support go?

1. Our personal needs
2. Travel and office expenses for the ministry.
3. Support for the pastors - especially needed in this time of drought. Also helps them with transport and other ministry expenses and school fees for their children.
4. School fees for orphans. We are now working with three schools and this term want to support 60 children.
5. The orphanage at Beitbridge.
6. Special needs that come up from time to time.

All funds designated for a particular project go there.
