Emerald Ark

Gillian Harris, from the UK, has been living in Mozambique since 1994, working amongst its people. In 2003 she registered the organisation **A Arca de Esperança (The Ark of Hope)** with the Mozambican Government. She is director of this organisation, and works with a team of Mozambican nationals, with the aim of helping people to improve their daily lives. Since 2006 Pemba, Cabo Delgado has been the location and focus of their activities.

Emerald Ark is a Christian based UK registered charity. It has been established to enable the effective functioning of this work in Mozambique, by funding initiatives that will directly improve the lives of some of these most vulnerable people.

Emerald Ark is currently looking to fund 2 projects which have been identified as meeting key needs of the people of Cabo Delgado.

Vocational Training Scheme

There is a serious lack of paid employment and no unemployment benefit.

Our Vision

To equip people with practical skills and motivation to work for themselves. To give them better prospects to obtain paid employment.

Our Requirements

We have obtained a building but we need:-

- To repair it and give it a roof
- Materials and toolkits for students
- 2 key workers who can oversee the programme

Primary School

There is inadequate schooling in Pemba. The local President has asked for us to provide a primary school to cater for at least 150 children.

Our Vision

To provide a primary school for the local children where they can be motivated and educated and continue to develop the relationship already established.

Our Requirements

- A suitable building
- Desks, benches and school materials
- 3 teachers and 3 helpers
